CORPORATE, PERSONAL AND PAC DONATIONS ARE ALLOWED BY LOUISIANA LAW.

Donations are limited to \$2500 per person, per election. A "person" by Louisiana law is an individual (husband can be one individual, wife another individual, and separate checks should be used), a corporation, a political committee, a partnership, or an LLC. The Louisiana Ethics Board has issued an advisory opinion that single member LLCs and their owner are subject to a single limit. The same opinion stated that S-corporations that are 100% owned by one individual are subject to the same limit. State law requires us to use our best efforts to collect and report the name and mailing address of individuals who donate. Donations are not tax deductible.
